Leslie:

There were 2 documents that I said could be released but you didn't mark it as can or can't be released. The 2 documents are Doc ID #'s 367161 and 367159 (See attached, can they be released?). Thank you so much for your help and getting this done quickly, I really appreciate it. Thanks.

Noreen, here is the SEMS list with my markups on the items that you weren't sure about. Let me know if there is anything else you need me to do before I have to look at stuff in the boxes.
